In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Price adjustments may also be allowed at the introduction of new model year. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Commonwealth.

Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30day notification period. The contractor shall document the amount and proposed effective date of any general change in the price materials. Documentation shall be supplied with the contractors request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia; and (2) verify the amount of percentage of increase which is being passed on to the contractor by the contractors suppliers.

The purchasing office will notify the using agencies and contractor in writing of the effective date of any increases which it approves. The contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

If the contractor accepts an order under this contract, where the order has not been processed through eVA, the contractor will be in breach of contract. If an Ordering Agency

Section 2.2-4376 prohibits public employees from knowingly making false statements or misrepresentations, and from using documents known to contain false statements or misrepresentations.

CONFIRMATION: Dealers awarded items against this contract are required to send the ordering agency an electronic confirmation of receipt of the order. This applies to all orders issued against this contract. This information must be completed within 10 days after receipt of order and must indicate the date the order was placed with the manufacturer. Confirmations should be emailed to the **“Ordering Person”** address shown on the order and to the attention of the contact person listed.

FINANCIAL WARRANTY: Contractor shall ensure that the prices, discounts, incentives, and other financial terms (collectively, the “financial deal”) applicable to purchases under this Contract is always at least as favorable to the purchaser as the financial deal that the Contractor or its affiliates make available to any public body in Virginia for the same good(s)/service(s) outside this Contract. Throughout the term of this Contract, if Contractor (or any affiliate) makes a better financial deal available to a public body in Virginia for any good(s)/service(s) available under this Contract, Contractor shall immediately notify DGS of the details and, at DGS’s option, sign an amendment to this Contract, so that an equivalent financial deal for the affected good(s)/service(s) is also available as an option under this Contract. Contractor may request exemption if the better financial deal was for a spot purchase, and DGS shall grant such request if DGS in good faith finds that the spot purchase involved special circumstances affecting cost that would make it unfair to apply an equivalent financial deal outside of that spot purchase. Upon DGS’s request (and annually on August 1), Contractor shall submit to DGS an affidavit certifying full compliance with this Section. The Contractor (and any affiliate) shall waive any contractual or other right that inhibits any public body in Virginia from disclosing to DGS or others the financial terms made available to the public body and upon request from DGS, Contractor shall ensure that a signed confirmation of the waiver is provided to the public body and DGS. As used in this Section, an affiliate is any entity that controls, is controlled by, or is under common control with, the Contractor.

Any bidder or offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its bid or proposal a statement describing why the bidder or offeror is not required to be so authorized. Indicate the above information on the SCC Form provided. Contractor agrees that the process by which compliance with Titles 13.1 and 50 is checked during the solicitation stage (including without limitation the SCC Form provided) is streamlined and not definitive, and the Commonwealth’s use and acceptance of such form, or its acceptance of Contractor’s statement describing why the bidder or offeror was not legally required to be authorized to transact business in the Commonwealth, shall not be conclusive of the issue and shall not be relied upon by the Contractor as demonstrating compliance.
